In presenting this 1949 issue of the "Mograndah"

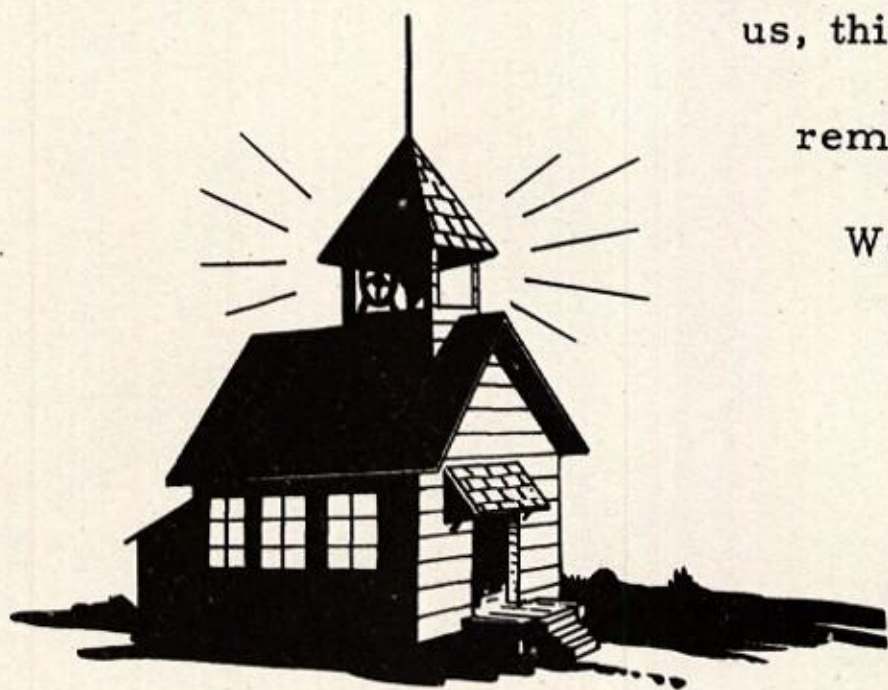

we have endeavored to bring you a memory of
your activities and life at Grand County High.

For many of us, this is the last of our
school life at Grand High, and for many
it is only the beginning, but to all of
us, this past year will be always
remembered.

We will always be loyal to

Good old Grand High

BECAUSE:

SUPERINTENDENT'S MESSAGE

To the Students of G.C.H.S.

I noticed with pleasure that the '49 MOGRANDAH is very properly dedicated "'To You, the Students.'"

High Schools exist for students. Without students school would be non-existent. However, the quality of any high school activity or class depends to a great extent upon the quality of the individual students therein. Your MOGRANDAH will be just what you students make it; your athletic teams are just what the boys making up the teams, the supporting student body and Pep Club make them. The results derived from each of your classes depend upon what you as an individual student contribute to those classes. Your school is judged by you who make it. Madeleine Bridges in Life's Mirror gives us some sound advice that holds true in school life as well in other walks of life. I believe you can well afford to memorize these lines and follow them through life:

"For life is the mirror of king and slave,
"Tis just what we are and do;
Then give to the world the best you have,
And the best will come back to you."

Very Sincerely,

Helen M. Knight

Address to Board of Education
